Repair Lids

Fig. No. 4930-X

Fig. No. 4930-OSR
Old Style Repair Lid

Lettered Water or Gas as Specified

- Repair Lids are designed for use when Boxes in the ground have been damaged and it is not desirable to break the ground to replace the Lids.
- These Lids can be furnished as a substitute for our Standard Curb Box lids at a slightly higher price.
Eclipse Boxes

Fig. No. E-100 & E-125

Eclipse Boxes Complete

- Lids are cast iron in two separate designs:
  Type A — Cast iron with water works head and pentagon brass plug.
  Type B — Cast iron with two 1/2" holes for operating with a straddle wrench. Has brass bushing with standard pipe thread to attach to pipe section.

- Steel Pipe Shaft available in 1" or 1 1/4" is adjustable up and down and held in place by a brass ring. Type A available in 1" and 1 1/4" pipe size. Type B available in 1" pipe size only.

- Bottom is cast iron. It is belled and arched to fit curb stops.

- The permanent steel rod is forged at the top end to receive a short cut-off wrench. The rod is welded to the cut-off key at the bottom. A connecting pin is provided to attach the key to the valve tee. Two rods available: straight rod with centering ring (4901-R) or curved rod (4901-RS).

- Complete curb box consists of lid, top pipe, cast iron bottom, and rod assembly (rod, ring and pin).

- All Eclipse Boxes have 12" range of extension.

- 5/8" Steel Rod. 1" and 1 1/4" Steel Pipe.

- 1/2" Stainless Steel Rods available.

When Ordering Specify: Fig. No. — Size No. — Cover marked GAS or WATER or Special Lettering at Extra Cost.

**Raising Adapter**

- Fig. No. 4903-A, -B, -C

**Raising Adapter**

- Used when repaving requires additional height to existing Box.
- Uses existing Cover or special Non-Tip Cover with longer skirt — one size.
- Three Models:
  - 1 3/4" Raise Only (Fig. No. 4903-A)
  - 1 3/4"-8" Raise (Fig. No. 4903-B)
  - 1" Raise (Fig. No. 4903-C)

**Service Box Extension**

- Fig. No. 4903-X

**Service Box Extension**

- No. 49

**Extension Section**

- Extends Boxes shown above up to 18 inches.
- Weight: 20 pounds.
Fig. No. 4905
2-Piece Screw Type Adjustable Valve Box
• Designed to cover the Stuffing box only on Valves up to 10" in size.
• Square Screw Type Top available 15" and 26 1/2" length.
• Locking Covers available.

Fig. No. 4908
2-Piece Sliding Type Adjustable Valve Box
• This Box is the same as the one at left, except it is Sliding Type.
• Some feel the Sliding feature helps prevent impact to valve from Surface.
• Flange at bottom of Top Section can be any distance from top or omitted.
• Locking Covers available.

Cover marked GAS or WATER or Special Lettering at Extra Cost.  Cover weight - 13 lbs.

Longer Boxes made by adding Extensions to Size No. 22.

See Table on page 9 for proper length of box for various valves.
5 1/4" Shaft 3-Piece Valve Boxes

3-Piece Screw & Sliding Type Valve Boxes
- Valve Boxes are designed to cover the Valve completely. See Page 9.
- The Top Section screws or slides over the Middle Section to provide adjustment. The Middle Section locks into the Base Section.
- The No. 6 Base is the Standard Base used to determine lengths shown in Table on Page 9. All pricing considers the No. 6 Base only. Other Bases will reflect a change in complete Box price and total length.
- See Page 11 for Paving Adapters to raise our Valve Boxes.
- Locking covers available.
- Square Screw Type Top available in 15" and 26 1/2" length.
- Longer boxes can be furnished by adding extensions. See below.

Cover marked GAS or WATER. Special Lettering at Extra Cost. Cover weight - 13 lbs. See Table on Page 9 for lengths and sizes.

<td>25&quot;</td>
</tr>
</tbody>
</table>

To determine length box to order on Page 7 (Dim. C), use depth of trench (Dim. D) and deduct inches shown in table above (Dim. E).

**EXAMPLE:** For 6" Valve in 5 foot trench.

- Depth of trench: 60"
- For 6" Valve deduct: 16"
- Min. Length Box: 44"

*See Page 7 — Order No. 21 or 5564-S (36"-48")*

Limited Warranty Statement

Seller will replace or repair, at the option of Seller, free of charge, any product which has failed in normal use and service within 90 days of date of passage of title to Buyer due to defects in material or workmanship. Seller must be given prompt written notice of such failure, and the product must be returned to Seller.

The provisions of this warranty shall not apply to any product which has not been properly installed, or subjected to misuse, negligence or accident or which shall have been repaired or altered in any way so as, in the judgement of Seller, to affect adversely its performance and reliability nor to any product which is used for a purpose for which it is not designed.

THIS WARRANTY TO REPLACE OR REPAIR DEFECTIVE PRODUCTS IS BUYER'S EXCLUSIVE REMEDY AND IS EXPRESSLY IN LIEU OF AND IS HEREBY IN DISCLAIMER OF ANY IMPLIED WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AS WELL AS ALL OTHER IMPLIED WARRANTIES, IN LAW OR EQUITY, AND OF ALL OTHER OBLIGATIONS OR LIABILITIES ON SELLER'S PART. SELLER'S AGREEMENT HEREUNDER RUNS ONLY TO BUYER AND DOES NOT EXTEND EXPRESSLY OR BY IMPLICATION TO ANY OTHER PERSON. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSS OF ANTICIPATED PROFITS OR OTHER ECONOMIC LOSS.

In the event that the other remedies fail of their essential purpose, Buyer's sole and exclusive remedy shall be, upon return of the goods, the refund of whatever portion of the purchase price has been paid.

TERMINATION

Seller may, at its option, terminate this agreement whenever Buyer shall fail to comply with any of the provisions hereof.

The Bingham & Taylor family of employees is dedicated to providing you, our customers, with the highest quality products, support and service to successfully satisfy your requirements.

Our service is fast and dependable, our prices are competitive and reasonable.

We have been in continuous business since 1849 serving water and gas industries.

Associate member of the American Water Works Association since 1882, member of the Water and Wastewater Equipment Manufacturers Association, Inc., and associated member of the American Gas Association.

In order for us to quote delivered prices on any specified type and quantity of the valve boxes shown in this catalog, the following information is necessary:

1. Shipping destination.
2. Trench depth (surface to bottom of trench), bury (surface to top of pipe), or the minimum and maximum adjustment length that will serve.
3. Quantity of each size.
4. Size of valve box shown in this catalog, (2 1/2, 4 1/4, 5 1/4) Shaft, Etc.
5. Type of box desired, screw or sliding type, 2 piece or 3 piece.
6. Size of base required or size of valve you will cover.

The table on the page showing the type of boxes we furnish will assist you in acquiring this information. Also, we will be glad to help in any way to arrive at your requirements.

All Shipments are made F.O.B. Shipping Point

LOSS, DAMAGE AND OVERCHARGES

Consignee is responsible and must be particular about reporting all claims promptly when shipments arrive. All exceptions must be noted on the freight delivery receipt bills and endorsed by the delivering freight agent at time of arrival and the noted delivery receipts must accompany the claim. Careful compliance with the above procedure will insure prompt adjustments of claims.
